Parts List

BEFORE ASSEMBLING THIS PRODUCT, PLEASE READ THESE INSTRUCTIONS CAREFULLY.

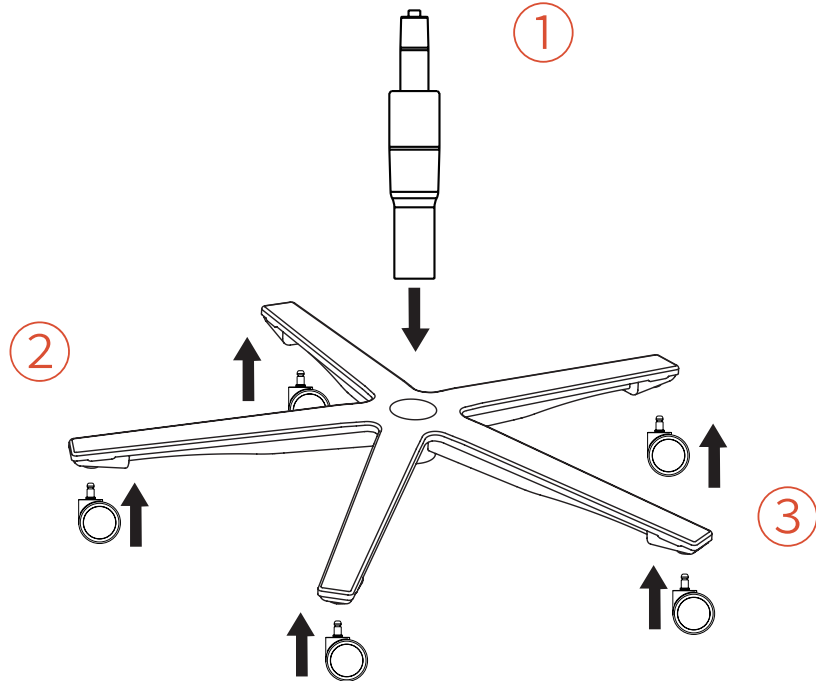

1. Gas Lift x1	2. Star Base x1	3. Casters x5	4. Backrest x1
			
5. Seat and Mechanism x1	6. Armrests (Lx1 / Rx1)		
			7. Headrest x1
8. Hardware			
M4*12 mm x1	M8*25 mm x3	M6*20 mm x6	4 mm x1
			
			6 mm x1
			

Assembly Instructions

Before You Start: Loosely tighten all screws first. Once all screws are positioned, fully tighten them to secure the assembly.

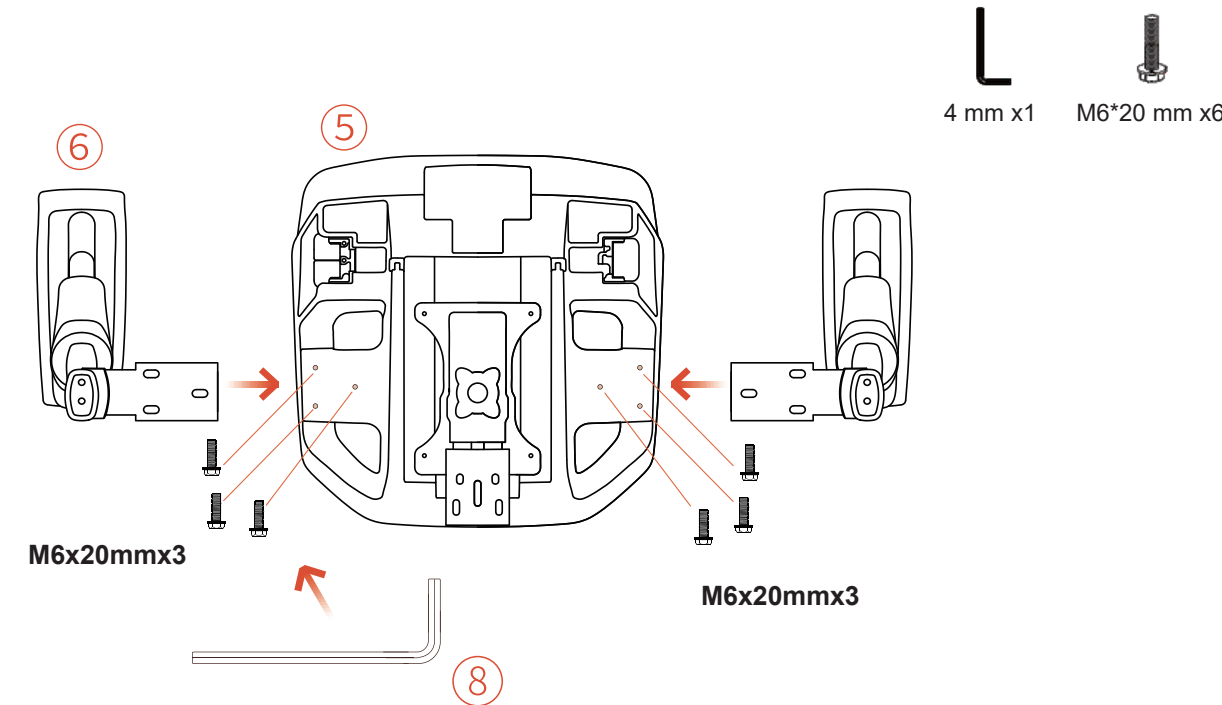

1 Install the Casters and the Gas Lift

Insert the casters into the five-star base.
Place the gas lift into the canter of the base.
Note: Ensure each wheel is securely pushed into the leg base.

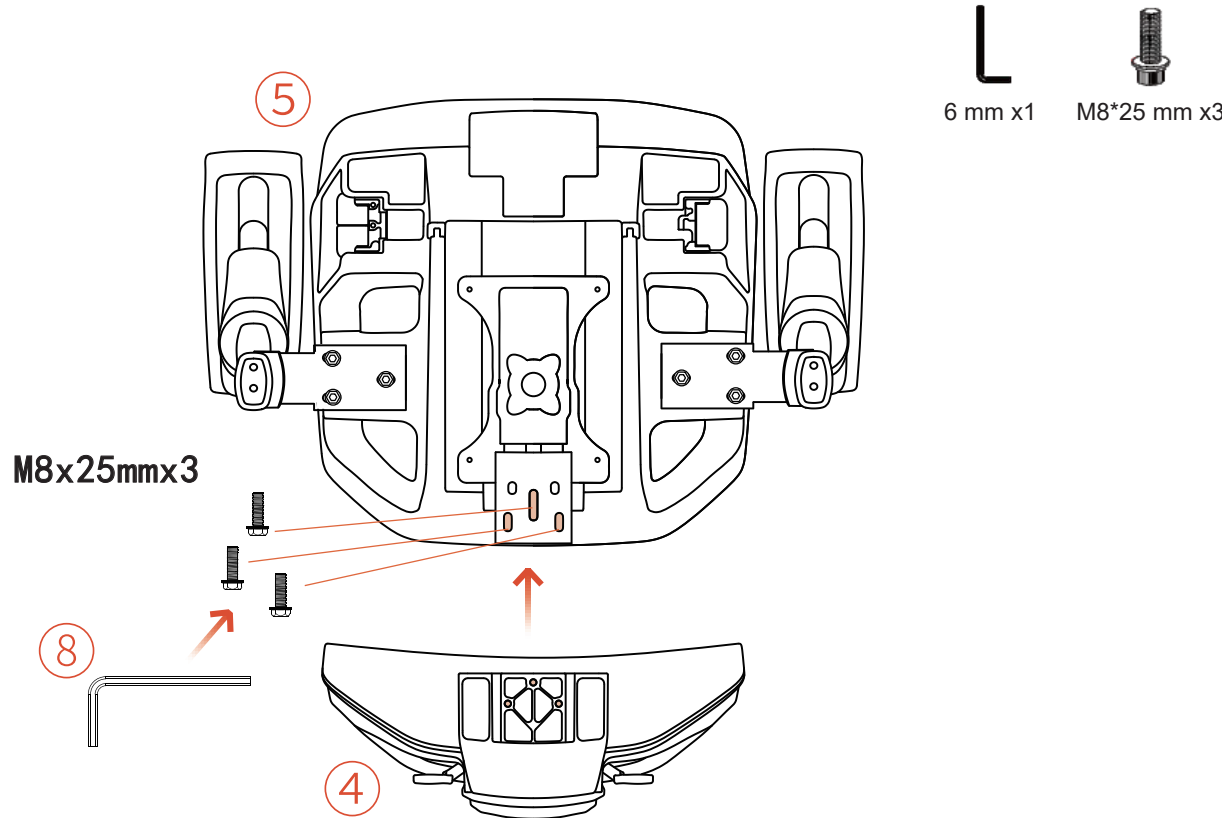

2 Attach the Armrests

Align the left and right armrests on the underside of the seat, then secure each armrest using 3 screws.
Note: Do not tighten the screws completely until they are all fixed in the correct position.

3 Install the Backrest

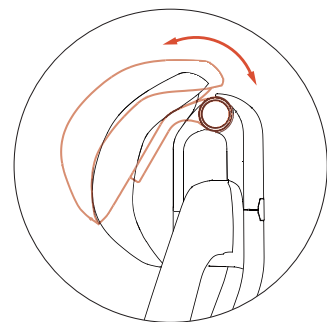

Align the backrest with the three pre-drilled holes, and tighten the screws.
Note: Do not tighten the screws completely until they are all fixed in the correct position.

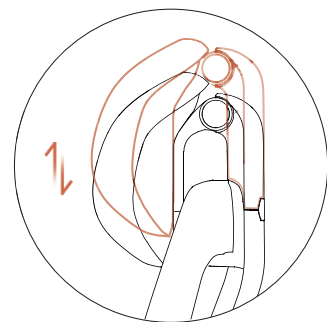

Instructions for Usage

Headrest Adjustment

45° rotation, 1.97" height adjustment.

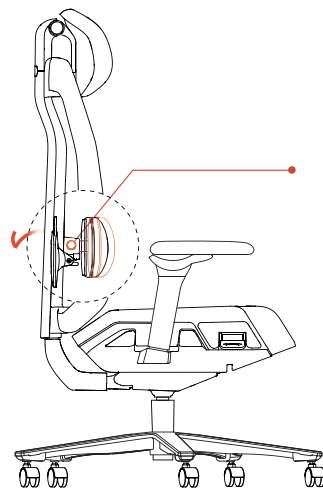

45° Headrest Rotation

1.97" Height Adjustment

Lumbar Support Adjustment

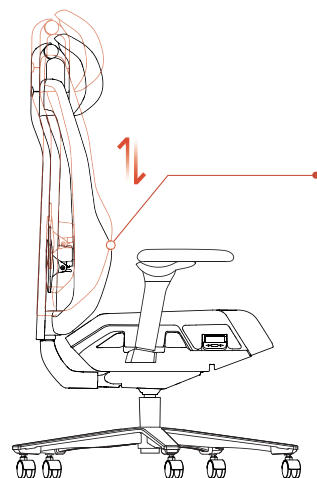

0.79" depth adjustment and 2.36" height adjustment for lumbar support.

Height: Hold the lumbar support with both hands and pull upward to adjust. It will automatically reset to its original position after reaching the highest point.
Depth: The lumbar support automatically follows your back by default. Slide the switch back to lock it in place.

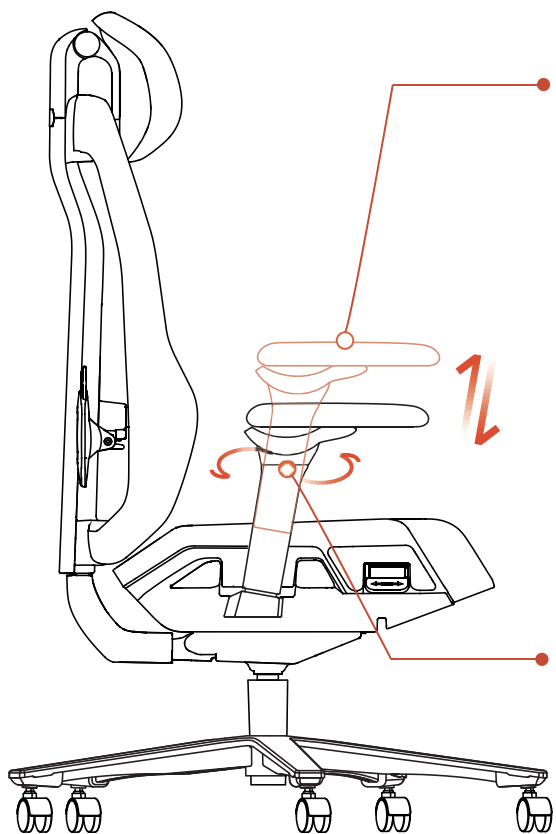

Backrest Height Adjustment

2.36" height adjustment for backrest.

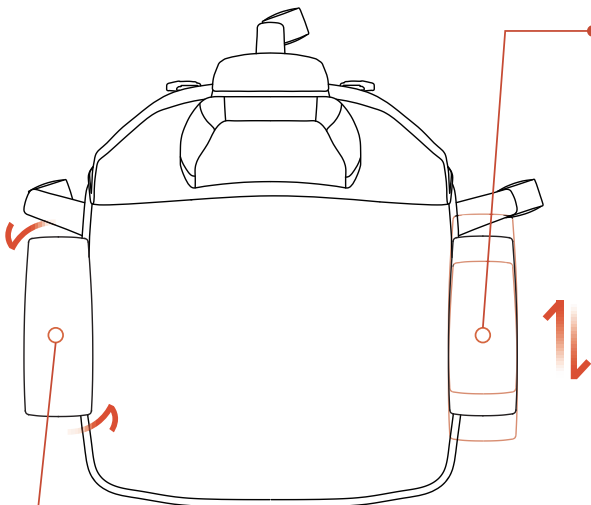

Hold the backrest with both hands and pull upward to adjust. It will automatically reset to its original position after reaching the highest point.

Armrest Adjustment

Height: Adjust the armrest up/down.

Swivel: 360° rotation of the armrest base.

Depth: Slide the pad forward/backward.

Pad Rotation: 360° twist of the armrest surface.

■ Seat Height & Depth Adjustment

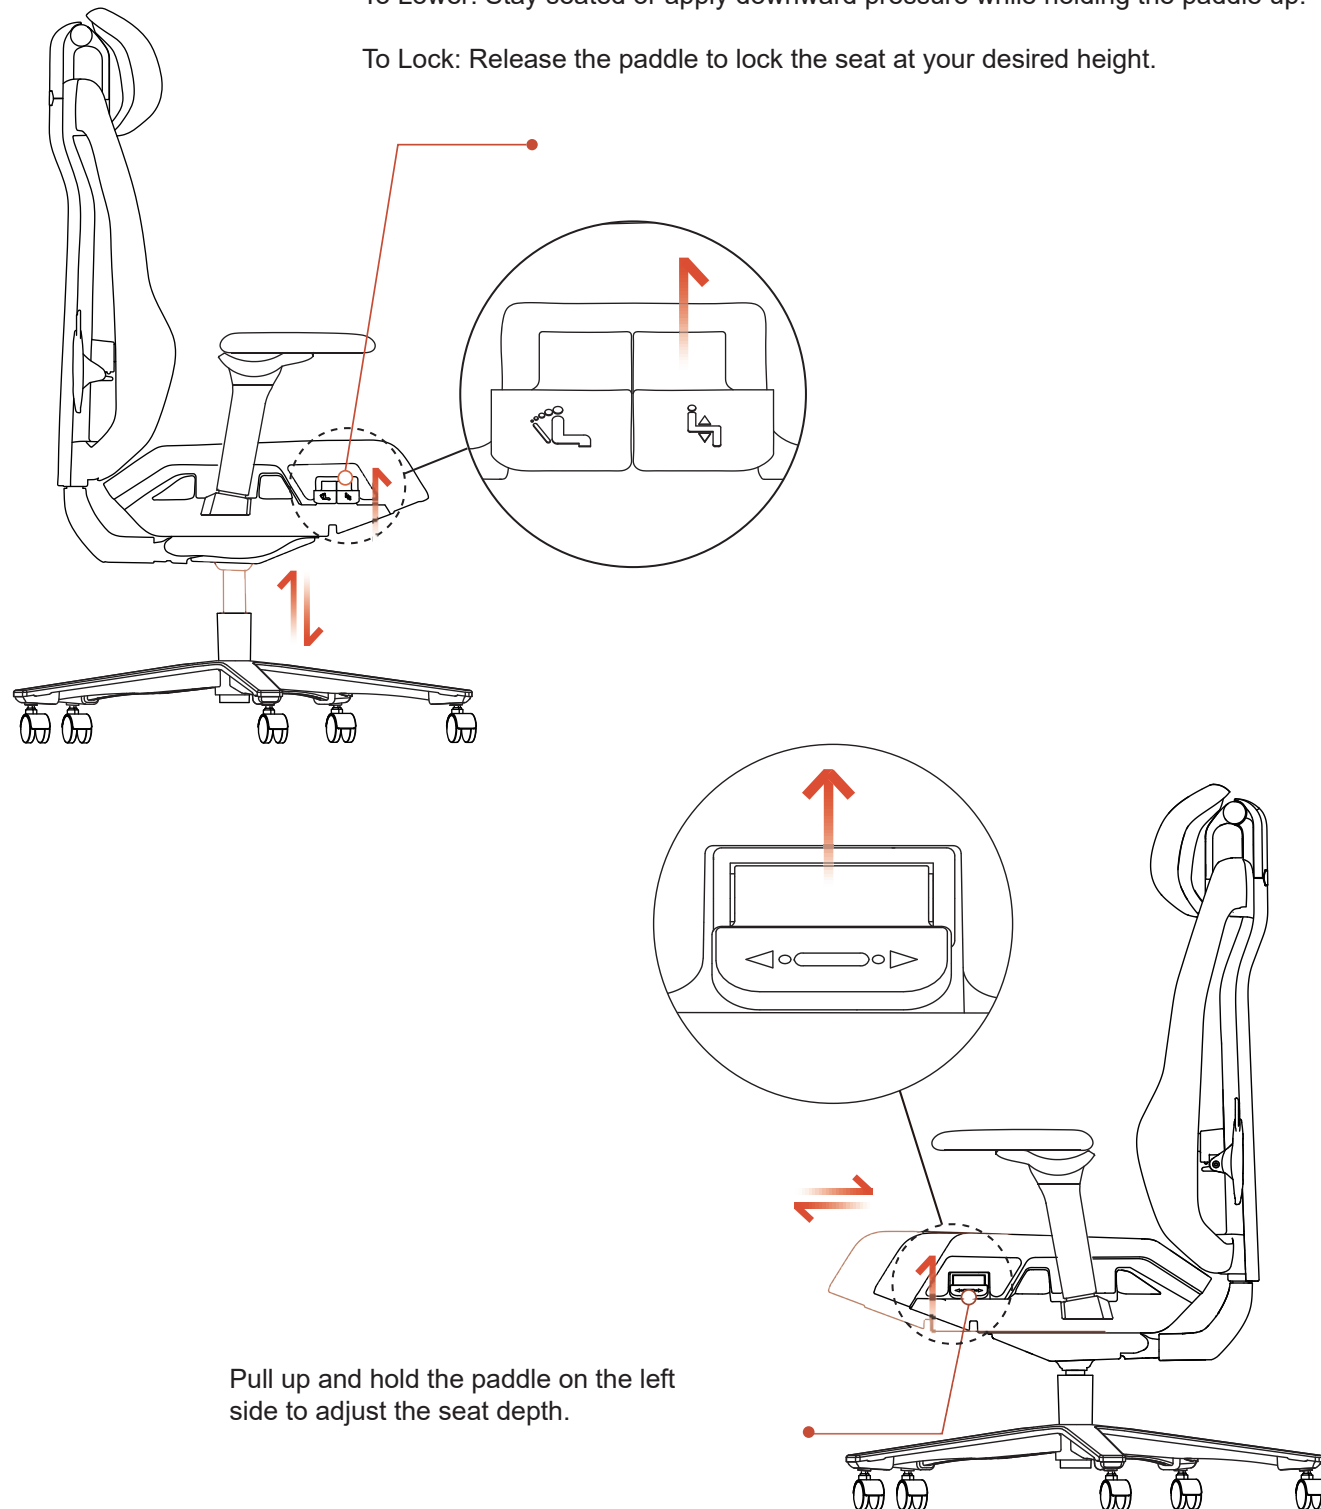

2.76" seat height adjustment, 1.97" seat depth adjustment.

Pull up and hold the front paddle on the right side to adjust the seat height.

To Raise: Lift your weight off the seat while holding the paddle up.

To Lower: Stay seated or apply downward pressure while holding the paddle up.

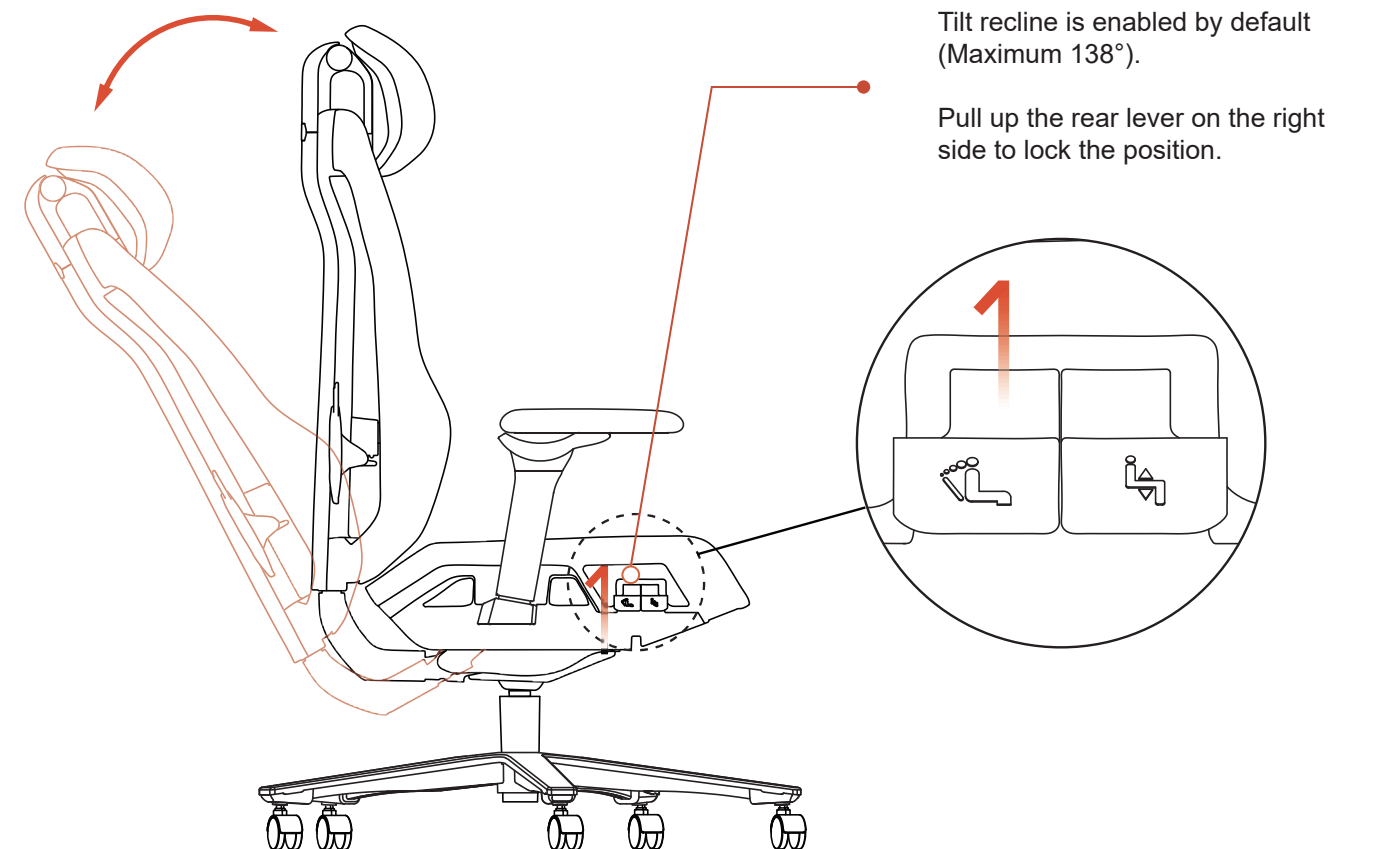

To Lock: Release the paddle to lock the seat at your desired height.

Pull up and hold the paddle on the left side to adjust the seat depth.

■ Backrest Tilt Adjustment

4-Level recline adjustment (Up to 138°).

Tilt recline is enabled by default (Maximum 138°).

Pull up the rear lever on the right side to lock the position.

FlexiSpot Limited Warranty

Safety Instructions

1. Do not use on slippery surfaces. Ensure the product is used on a stable, non-slip surface.
2. Avoid placing drinks on the product. Spills can cause discoloration or damage to the surface material. Wipe up any moisture immediately to prevent staining.
3. Do not sit on the product with more than one person at a time. This can lead to instability and potential injury.
4. Regularly check for any loose parts or damage before use. Do not use if any parts are missing or if the product is in poor condition.
5. Be cautious of moving parts. Keep hands and feet away from moving mechanisms to prevent injury.
6. Do not stand on the seat or armrests. This can cause the product to tip over and result in injury.
7. Read the instruction manual thoroughly. Understand the content and usage methods before operating the product.
8. If any issues arise during use, stop using the product immediately. Contact the retailer where you purchased the product for assistance.

Care Instructions for Long-Term Non-Use

1. Avoid placing the product in direct sunlight or in areas with high humidity or extreme dryness. These conditions can cause the product to warp or crack.
2. Regularly inspect the product for any signs of wear or damage. Address any issues promptly to maintain the product's longevity.

Remedies

1. FlexiSpot will replace at no charge any defective parts, or at its option, any product or part that is defective due to improper workmanship and/or materials under normal conditions of use.
2. If a replacement is not feasible or cannot be completed promptly, FlexiSpot may refund the purchase price upon return of the product.
3. For defective products, FlexiSpot will provide a replacement shipped at no cost within the continental United States via FedEx Ground. Expedited shipping is available at the customer's expense. International shipping costs are the customer's responsibility.

FlexiSpot Limited Warranty

What is Not Covered

1. Issues not resulting from material or workmanship defects.
2. Damage from normal wear and tear, improper installation, maintenance, misuse, abuse, negligence, accidents, or alterations.
3. Accessories, connected materials, and products not manufactured by FlexiSpot.
4. Damage from failure to follow instructions and guidelines for the product's intended use.
5. The warranty is void if the product is returned with removed, damaged, or tampered labels, or if there are any alterations.

How to File a Claim

1. To benefit from the limited warranty, claims must comply with the warranty terms and follow the proper return procedure.
2. Contact customer service via email at contact@FlexiSpot.com or toll-free at 1-855-585-5618, providing proof of purchase.

Implied Warranties and Limitation of Damages

Except where prohibited by law, all implied warranties are limited to the duration of this warranty. FlexiSpot is not liable for incidental, indirect, special, or consequential damages, even if advised of the possibility.

Governing Law

This warranty is governed by the laws of California, USA, without regard to conflict of laws principles.

How State Law Applies

This warranty provides specific legal rights, and you may have additional rights that vary by state.
