Installation Guide

1

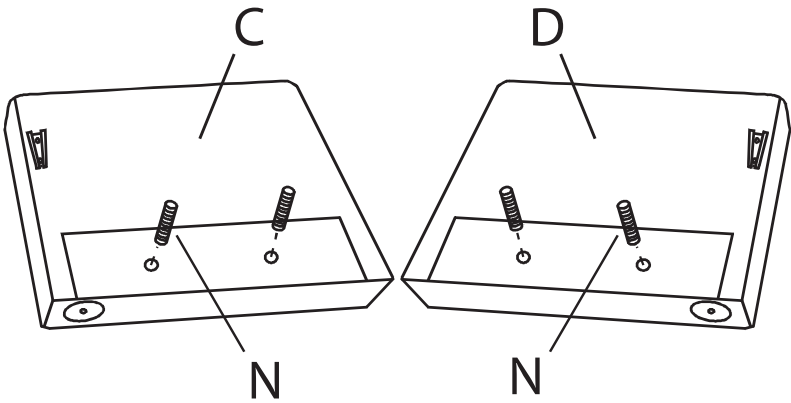

Carefully unpack the sofa compressed package and let the pillow recover its original shape.

2

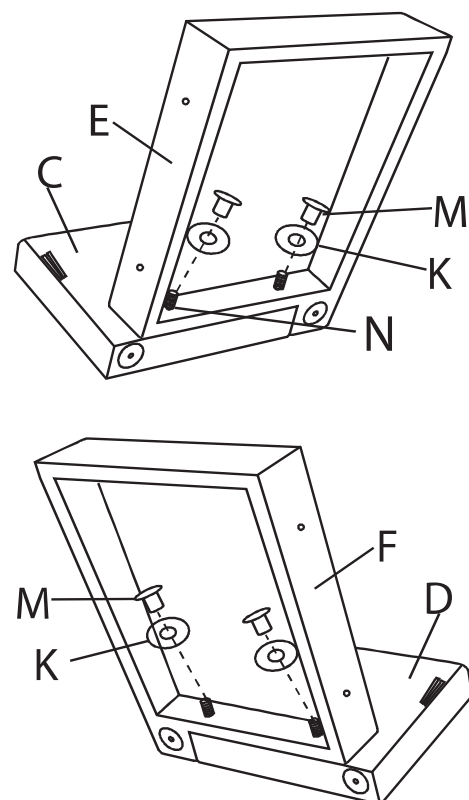

Install screw N on the inside of the the left and right armrests.

NOTE:
It is advisable to avoid excessive tightening of rod N. Once the empty space is properly aligned, proceed to tighten it gently along with gasket K and nut M.

3

Attach the sofa body to the armrests by means of screws N and secure with screw caps M and washers K.

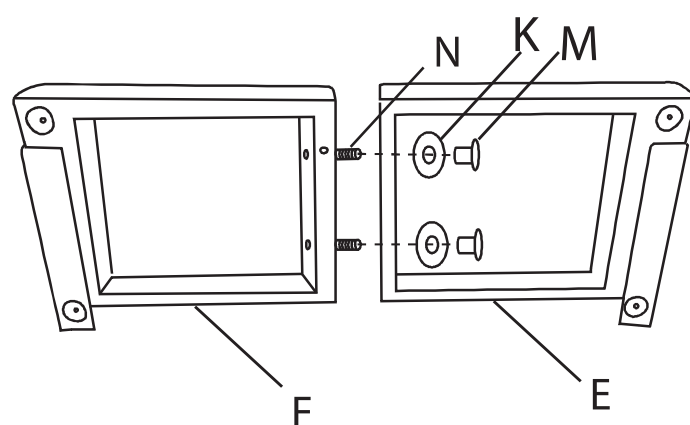

4

Install screw N on the other side of sofa body F and attach two sofa bodys by means of screws N and secure with screw caps M and washers K.

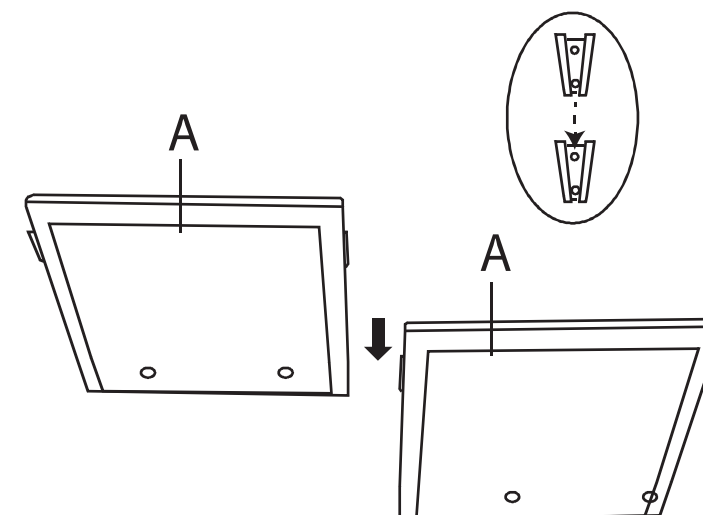

NOTE:

It is advisable to avoid excessive tightening of rod N. Once the empty space is properly aligned, proceed to tighten it gently along with gasket K and nut M.

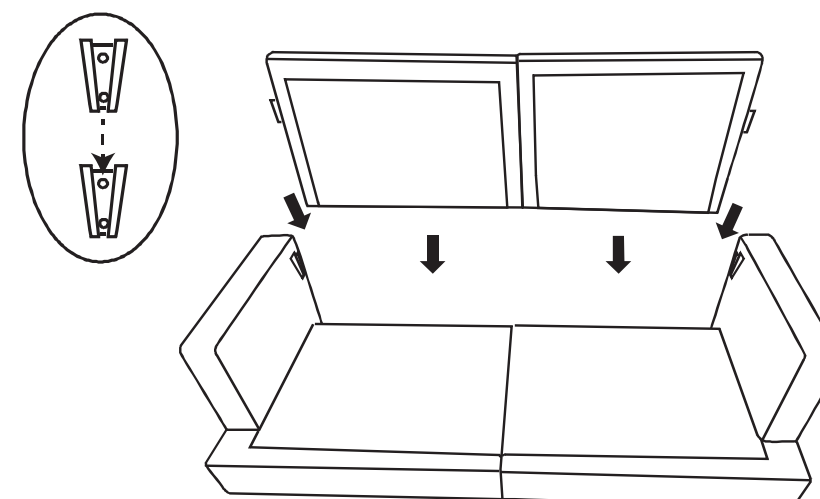

5

Align the buckles of two backrests A. Ensure they are buckled securely.

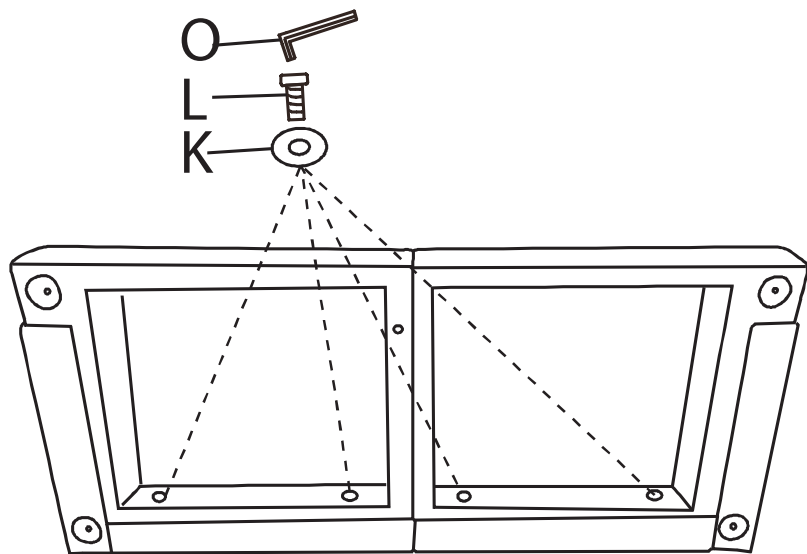

6

Align the buckles on the two sides of backrest with the main body. Ensure they are buckled securely.

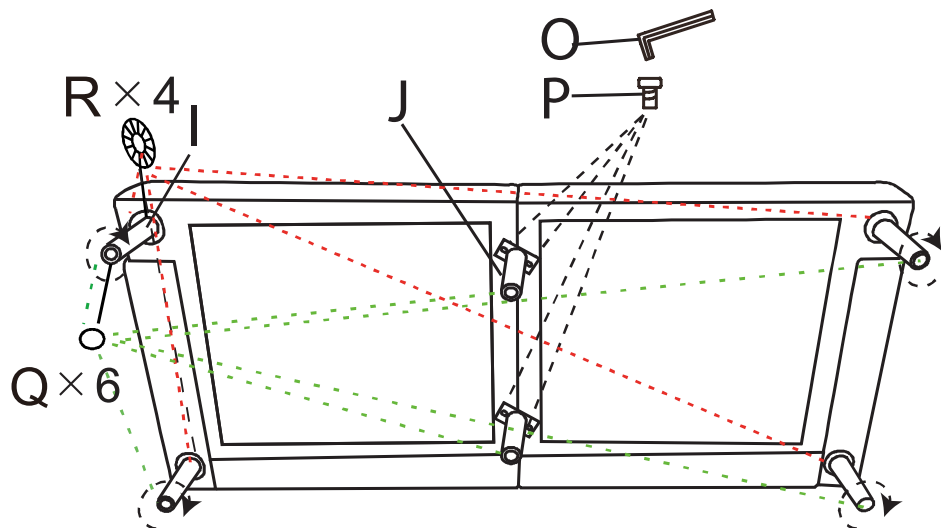

7

Lift the bottom of the sofa. Attach the sofa body to the backrests by means of screws L and secure with washers K.

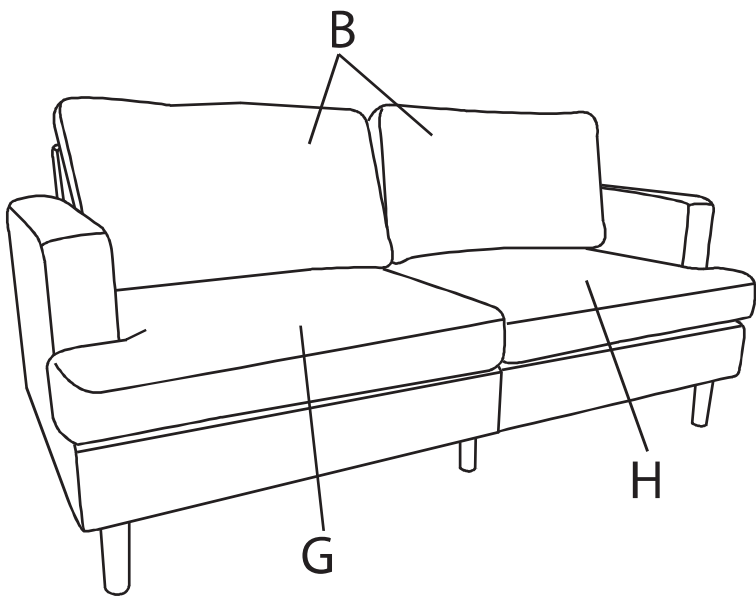

8

Attach J to the middle of the bottom by means of screws P. Attach I to the bottom, secure with R and Q.

9

Put pillows B, G and H on the sofa. You have done your installation.

Cautions

1. Children should use the sofa bed under adult supervision to avoid accidents.
2. Please pay attention to whether there are pets, children, or obstacles in front and behind the sofa when using it.
3. If you encounter any problems during installation, please feel free to contact our aftersell customer service.
