

FlexiSpot

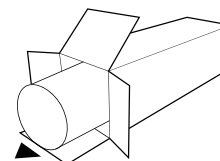

Mattress

Item No. U3

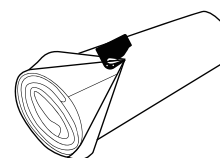

Instructions

How to open the mattress

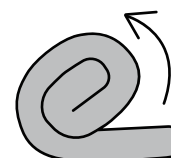

Step 1 : Unbox

Lay the box down.
Open the end & pull out the mattress.

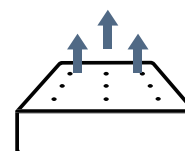

Step 2 : Remove Outer Film Wrap

Use the plastic cutter in the box to cut the film wrap of the mattress. Please be careful to avoid cutting the mattress inside.

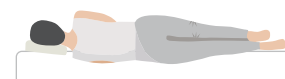

Step 3 : Unroll

Place the mattress on a flat surface & carefully unroll it.

Step 4 : Mattress Expansion

Allow up to 48 hours for your mattress to fully open, breathe & expand before use.

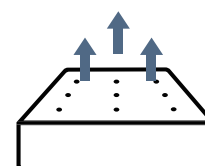

Step 5 : Congratulations!

Enjoy your new mattress!
Note: It may takes a few nights to get used to your new mattress.

FAQ

Questions you might want to know

For detailed information on warranty and return policies, Please refer to the WWW.Flexispot.com.

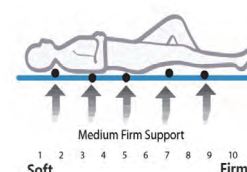

How long will it take for my mattress to fully expand?

Within 3-6 hours, your mattress should expand enough to use. Please allow up to 48 hours for your mattress to fully expand.

I detect a slight odor. Is this normal?

At first, you may notice a slight odor. Don't worry this is normal, and will disappear completely within 1-2 weeks. All our foams are certified by the CertiPURUS program. They are made without ozone depleting chemicals, and are regulated by the CPSC as low VOC for indoor air quality.

How does the mattress feel?

The mattress is designed with your comfort in mind, whether you sleep on your front, back, or side.
